

Introductory session

# SAICM SECRETARIAT

IOMC WEBINAR  
FINANCIAL CONSIDERATIONS FOR CHEMICALS AND  
WASTE MANAGEMENT

Update on the SAICM

# Intersessional process, ICCM5 and the Virtual Working Groups (VWGs)

for the deliberations on the future SAICM  
instrument beyond 2020

## VWGs first phase

October 2020 – February 2021

## Online survey

under development for the definition  
of the next phase

## Interim programme of work

2022-2023

## Virtual Working Group on **Financial Considerations**

### **Mandate:**

Make proposals that progress work on this topic in the lead-up to IP4. Specific tasks include:

- i. Integrated approach to financing the sound management of chemicals and waste
- ii. Capacity building
- iii. Strategic partnerships
- iv. Consider proposals for financing the Secretariat
- v. Cost recovery mechanisms and other economic instruments
- vi. Draft resource mobilization strategy

Main outcomes

# VWG on Financial Considerations

01

36 written submissions from stakeholders  
- including group submissions from all  
regions with over 150 participants  
registered in the VWG

02

The co-facilitators and stakeholders  
consolidated views and  
recommendations and proposed cleaned  
redlined texts on the provisions under  
financial considerations of the proposed  
beyond 2020 instrument

03

Stakeholders unanimously called for  
strengthening the financing of the SAICM  
Secretariat with contributions from all  
stakeholders. Details on how these  
contributions should be reflected in the  
beyond 2020 instrument have not yet  
been agreed.

04

Stakeholders provided inputs to the draft  
resource mobilization strategy and the  
review document on cost-recovery  
mechanisms and other economic  
instruments

## VWG on Financial Considerations

### FURTHER DELIBERATIONS PRIOR TO IP4 AND ICCM5 ARE REQUIRED ON:

- a. The proposals on strengthening the private-sector involvement presented by stakeholders so far: the **capacity building clearing house mechanism** (ICCA); **a global coordinated tax or fee on the chemical industry** (CIEL-IPEN); **the establishment of a financial contribution of 0.5% of industry's annual turnover** (Africa Group).
- b. Dedicated external financing for the implementation of the new beyond 2020 instrument (Colombia).
- c. Alternative text proposals prepared based on the written submissions and views presented at the VWG meetings regarding the sections on Financing the Secretariat and Private Sector Involvement.
