This webinar is part of a series of webinars being conducted by the IOMC on four key cross-sectoral issues and as a contribution to the on-going Beyond 2020 discussions. The webinars are open to all interested stakeholders participating in the SAICM/Beyond 2020 process and beyond.

The aim of the webinars is to exchange information and share examples of good practices and policy options in a multi-sectoral context. Each webinar will feature presentations from lead IOMC organizations, as well as a panel discussion and interactive dialogue with participants.
